

Alumni Manager

Join one of Melbourne's most dynamic and innovative universities, managing an exciting range of alumni programs. Your goal is to increase the depth and diversity of relationships with 60,000 graduates.

Working in a small team and reporting to the Associate Director – Alumni, you will assess and develop programs and products to advance alumni activities. You will manage the database, raise the alumni profile and identify leaders to champion philanthropic support.

For this key role you will need experience in alumni activities, strengths in database segmentation and direct marketing, and proven ability to build relationships. The role is level HEW8.

If you can transform relationships and ideas into positive outcomes please send your application or call Philip Mayers.
